

**A short presentation, by an Israeli peace activist**

**From: Beny Gefen <[benigefen@hotmail.com](mailto:benigefen@hotmail.com)>**

**Dears-**

**Again: this week I`ve noticed the ugliness of the occupation. The settlers create hatred and blood-shed and the army and police do nearly nothing. It`s war-crimes; it`s shame and stupidity.**

**ALL THESE CRAZY-CRIMINAL EVENTS ARE DONE "THANKS" TO THE GENEROUS PROTECTION THAT THE ARMY GIVES TO THE ZEALOTS - LUNATIC SETTLERS!**

**Yours,  
Beny**

Rock barriers that the settlers of Itzhar built on the only road to the orchards of Ein-Abus a long time ago. We`ve dismantled them.

We drag the dead branches of olive trees in order to enable plowing, the first plowing after a few years. Hundreds of trees were cut by settlers in 2003.

Trees that had been cut in 2003. The settlers set fire in 2004, killing them totally.

Wild Holy Hock (Khotmit) in this hell.

An armed settler protecting huge bulldozers working on private Palestinian land of Kusra. The soldiers came to prevent bloodshed.

A military commander with one of the settlers
